Hannover International Bible Church

REQUEST FOR NEW MEMBERSHIP

Dear Prospective Member,

Welcome to Hannover International Bible Church. I hope that you have found our family warm, serious, and welcoming.

HIBC belongs to the people and each of us have our part. We rule ourselves and answer only to God. For these reasons we take membership very serious. Here at HIBC membership means commitment.

Here at HIBC we believe that God adds to His Body universally and locally. We have a saying, "If God wants you at HIBC we want you, but if God is not leading you to join us then we don't want you either."

I hope that you take the time to seriously review the enclosed Church Constitution, Church Covenant, and Church Statement of Faith. If you have any question about either of these documents you can speak to, call, fax, or e-mail me at any time.

We want you to get to know us and we want to get to know you before both of us make any decision about your membership at HIBC. Please continue to fellowship and worship with us.

When you submit your MEMBERSHIP REQUEST card I will call you and set up a time when we can meet and speak about your request and questions. I am looking forward to this time.

Please prayerfully consider becoming a member of Hannover International Bible Church.

In HIS service,

Bob Hnat
